

A diagram of a business card template. It features a large outer dashed black border representing the 3mm bleed. Inside this is a smaller dashed red border representing the 91mm x 61mm area including bleed. The central text is centered within the red border. At the bottom of the red border, there are two horizontal lines: a red dashed line labeled 'Trim line' and a black dashed line labeled 'Safe area'.

## Business Card

85mm x 55mm final size  
91mm x 61mm including bleed

Safe area – all text and images that you don't want trimmed off should be within this area

Trim line – showing where we will be trimming the print

3mm bleed – all objects and backgrounds that you want touching the edge of the print should extend all the way to the edge of the bleed.
